

WHAT ARE THE BENEFITS TO PARTICIPATING IN DCPS AFTERSCHOOL PROGRAMS?

According to a Harvard University study of DCPS Afterschool Programs
(compared with students who did not attend afterschool programs during this time):

For 2 years (2008 – 2010), DCPS students who participated in afterschool programs have higher Math and English proficiency on the DC-CAS.

DCPS middle and high school students in afterschool programs have better attendance, GPAs, graduation rates, and attitudes about learning with less behavior problems.

HOW DO I ENROLL MY CHILD IN DCPS AFTERSCHOOL PROGRAMS FOR NEXT YEAR?

You Must Have:

The DCPS Afterschool Program Enrollment Application and Signed FERPA Letter

All students participating in sports teams or school clubs are expected to complete enrollment forms but this does not obligate or automatically entitle you to specific academic support.

No child may participate in an afterschool program until all documents are submitted – NO EXCEPTIONS

We will not accept application documents prior to 8/15/2011.

For questions, contact your afterschool coordinator at your child's school or contact the Office of Out-of-School Time at 202.442.5002 or at afterschool.dcps@dc.gov.

DCPS
Afterschool
Programs are
more than
fun and
games...

ACADEMICS!
HOMEWORK HELP!
ARTS!
SPORTS!
HEALTHY SUPPER INCLUDED!

...but there's a lot of
that too!

DISTRICT OF COLUMBIA
